SUBJECT:

Draft Ordinance Institutionalizing the National Cancer Consciousness in all the Barangays in Tuguegarao City.

FOR THE PRESIDING OFFICER:

The Members of the Joint Committees met and deliberated on the Draft Ordinance Institutionalizing the National Cancer Consciousness in all the Barangays in Tuguegarao City. The Joint Committees respectfully submit the herein Committee Report and has the honor to report to this August body in session the following actions taken, its findings and recommendations.

ACTIONS TAKEN:

1. The committee conducted a thorough and wholistic evaluation of the subject matter on September 03, 2024
2. Resource persons were present to assist the committee in the committee deliberation.

FINDINGS:

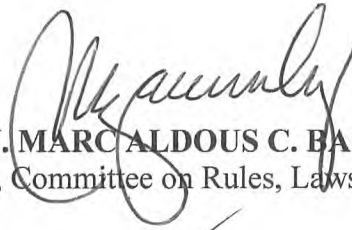

1. Republic Act No. 11215, also known as the "National Integrated Cancer Control Act," institutionalizes a National Integrated Cancer Control Program and appropriates funds for it, and Article II Section 15 of the Act provides that "The State shall protect and promote the right to health of the people and instill health consciousness among them."
2. Proclamation No. 1348 "Declaring the period from January 20 to 26, 1975, and the Third Week of January of every year thereafter, as "National Cancer Consciousness Week."
3. Cancer patients can now expect better access to more responsive and affordable healthcare services with the signing of the Implementing Rules and Regulations (IRR) of Republic Act No. 11215, otherwise known as the National Integrated Cancer Control Act (NICCA), signed into law last February 14 to ensure the provision of quality health services and financial risk protection of cancer patients.
4. The program shall include modules on prevention, detection and treatments of Cancer, health education seminars, cancer survivorship and cancer awareness.
5. Cancer is one of the leading causes of mortality in the Philippines and poses a significant health concern for the residents of Tuguegarao City.
6. Early detection and awareness are crucial in the fight against cancer disease, significantly improving the chances of successful treatment and survival.
7. The City Government of Tuguegarao recognizes the importance of educating and empowering the grassroots level of the community, which is the Barangay, through awareness campaigns, health education, and regular screening programs.
8. It is the duty of the City Government to promote the health and well-being of its constituents by providing necessary programs and services.
9. All other suggestions and recommendations made by the parties during the committee hearing are already incorporated in the Draft Ordinance.

RECOMMENDATIONS:

After a thorough discussion and finding the ordinance to be with merit and beneficial to the constituents of Tuguegarao City, the joint committees favorably recommend the approval of the Draft Ordinance Institutionalizing the National Cancer Consciousness in all the Barangays in Tuguegarao City.

Attached herewith is the Draft Ordinance.
