HON. BIENVENIDO DE GUZMAN II
City Vice Mayor and Presiding Officer
And Honorable Members of the 9th City Council
Tuguegarao City, Cagayan

Sir,

Greetings of peace and progress!

RBC Cable Master System has been a steadfast partner of the City Government of Tuguegarao, committed to supporting its initiatives through effective and consistent information dissemination. Our coverage and replay of the City Council's Regular and Special Sessions on our community channel have played a vital role in keeping citizens informed about the important resolutions and ordinances enacted by your honorable body.

In line with this, we respectfully recommend the **continued coverage of these sessions**. This initiative will further strengthen public awareness of key legislative matters and ensure that constituents remain engaged and updated on developmental issues and concerns.

Additionally, **may we kindly request your favorable action for the approval to be made retroactive starting January 2025**, to allow us to collect uncollected payments for the services we have consistently rendered since that period. Your support in this matter will greatly help us continue our operations and uphold our commitment to public service.

We sincerely appreciate your attention and favorable consideration of this recommendation. Thank you for your continued trust and collaboration. We look forward to working hand-in-hand with the City Government of Tuguegarao in our shared mission of public service and community empowerment.

More power to the City Government of Tuguegarao!

Respectfully,

RODEL ORDILLOS
