Dear Mayor Ting-Que:

Warm greetings from the Department of the Interior and Local Government (DILG)

We are pleased to inform you that, following the documentation and profiling of open government practices in Region 2, conducted by the Gawad Kalinga Community Development Inc., and upon the thorough selection process of the DILG Regional Office 2, Department of Budget and Management Regional Office 2, and I-Club Media Association, your Local Government Unit has been included among those identified as highly qualified to take part in the first cohort members of the Philippine Open Government Partnership (PH-OGP) Localization.

Your LGU has demonstrated exemplary leadership in advancing the values of transparency, accountability, and participatory governance, which are the core principles of the OGP. This recognition affirms your commitment to building trust, empowering citizens, and institutionalizing reforms that matter most to your constituents.

As a next step, we invite your LGU to formally signify its willingness to join this pioneering cohort. Participation entails not only a strong commitment to the OGP principles but also **a clear pledge to implement open government initiatives in close partnership with non-government stakeholders and civil society partners in your locality.** To this end, we respectfully request that your LGU express this intent through a *Sanggunian* Resolution declaring your readiness to actively engage in this initiative. This will stand as a formal affirmation of your LGU's dedication to sustaining and strengthening open government reforms within your community.

May we kindly request that your *Sanggunian* Resolution be submitted to this Department through the DILG Regional Office 2 on or before **October 22, 2025**.

We look forward to your LGU's participation as a trailblazer in this national-local collaboration for open government. Together, let us build a governance culture that is transparent, accountable, and truly responsive to the needs of our people.

Very truly yours,
