It was discussed that the body, specifically the Provincial Environment and Natural Resources Office (PENRO) – Cagayan, the Department of Public Works and Highways Cagayan Third District Engineering Office (DPWH CTDEO), and the Department of Environment and Natural Resources Region 2 (DENR R02) would like to present the following topics for the guidance of the City Council, to wit;

Anent this, may we request your good office to refer the above-mentioned presentations to the proper committee for evaluation and discussion. Should this be approved, may we further request the schedule of the said committee hearing for information dissemination to the parties involved.

Hoping for your utmost favorable action regarding this matter.
