HON. MAILA ROSARIO S. TING-QUE

City Mayor
Tuguegarao City, Cagayan

Madam:

Peaceful greetings!

Our school is committed to provide holistic approach in the development of knowledge, attitudes and skills of the Senior High School (SHS) students to become competitive, accountable and responsible professionals in their chosen field of specialization.

In addition, the Cagayan National High School-Senior High is compliant to DO 30, s. 2017 on Work Immersion, which is a key feature of the SHS Curriculum. As specified by the Department of Education, it can be conducted in different ways depending on the purposes and needs of learners. CNHS- Senior High conforms with DepEd in responding to the following objectives for work immersion among the learners, which are: 1) to become familiar with workplace; 2) for employment simulation; 3) to apply their competencies in areas of specialization/ applied subjects in authentic work environments.

CNHS- Senior High recognizes that part of the learning process is to expose the SHS students to learning opportunities where the different concepts, theories and framework mastered in the classroom are empirically observed and applied in actual work situations. It is for these reasons that the school considers your agency as one among its partner agencies in realizing the objectives earlier cited. In this regard, may we request your good office to accommodate our students. Through your help, we believe that you can provide them the much-needed training/ exposure.

Attached are a Memorandum of Agreement and other important information for your perusal. For any query regarding the work immersion, please don't hesitate to contact the undersigned with this number, 09069468676.

We are looking forward to your positive regard on the matter.

Very truly yours,

ALEJO A. CAMBRI JR.
