HON. ROSAURO RODRIGO G. RESUELLO

City Vice Mayor and Presiding Officer

Tuguegarao City, Cagayan

Sir,

Greetings of peace and progress!

RBC Cable Master System has long been a steadfast partner of the City Government of Tuguegarao, fully committed to supporting your programs and initiatives through timely and consistent information dissemination.

Our regular coverage and replays of the City Council's Regular and Special Sessions on our community channel have served as an essential platform in keeping the public well-informed of the resolutions, ordinances, and policy discussions enacted by your honorable body.

In this regard, we respectfully recommend the **renewal and continued coverage of these sessions for the period July to December 2025**. We believe that sustaining this initiative is vital in promoting transparency, strengthening public awareness, and encouraging civic engagement on legislative matters that impact our constituents.

We sincerely appreciate your attention and favorable consideration of this recommendation. Thank you for your continued trust and collaboration. We look forward to working hand-in-hand with the City Government of Tuguegarao in our shared mission of public service and community empowerment.

Respectfully,

RODEL ORDILLOS

Production Manager
